

On the 26th of June we are celebrating the global Support Don't Punish activities with an event that will happen in Lisbon in Largo do Intendente, between 2pm and 6pm.

The programme will be the following:

2pm - Collaborative assembly of a safe space for drug users and people who live on the street.

2:30pm to 4pm - Pairs meeting, organised by Associação CASO

4pm to 6pm - Dj set from Cigarra and anti-stigma serigraphy with Resista Sur

5pm to 6pm - Body/territory - dynamic activity about (in)secure spaces in Lisbon and Oporto

6 pm - END (the war on drugs!)

We will also be joined by Kosmicare, with an informative stand about psychoactive substances and the Programa de Consumo Vigiado will be open to visiting by the participants.
